# Fight Hunger, Fuel Hope!

Here in our community of Revelstoke, neighbours quietly face empty cupboards and hard choices every day.

For more than a decade, the **Emergency Services Food Drive** has united our Fire Services, RCMP, Ambulance Service, Search & Rescue, Parks Canada, other non-profits, and our wider community — using vehicles, crews, and energy to collect food and donations right from our neighbours' doorsteps.

**Last year, together we collected 7,332lbs of food and \$13,907 in donations** — enough to help keep hundreds of households fed through to at least Thanksgiving. Our goal for this Food Drive is to stock the shelves until December. While other drives and donations will come in later from schools and community groups, every pound collected in September kick-starts the season—filling our shelves and fueling families and neighbours to stay nourished and thriving all season long.

This year, with your sponsorship, **we're aiming higher: 10,000lbs of food and \$20,000** in donations to ensure no one in our community goes hungry.
